THE INDIAN JOURNAL OF AGRICULTURAL ECONOMICS

Annual subscription: Rs.12

The Indian Journal of Agricultural Economics, published as a Quarterly since January 1956, is the organ of the Indian Society of Agricultural Economics. The first issue is the Conference Number and contains papers on different subjects presented at the Annual Conference of the Society and a résumé of the proceedings of the Conference. The other issues are devoted to the publication of articles of research value as well as notes, news and other information relating to research in Agricultural Economics. Besides the Journal, the Society publishes Research Studies, a list of which can be had from—

The secretary of the treasury is the head of the United States Department of the Treasury which is concerned with all financial and monetary matters relating to the federal government, and, until 2003, also included several major federal law enforcement agencies. This position in the federal government of the United States is analogous to the minister of finance in many other countries. The secretary of the treasury is a member of the president's Cabinet, and is nominated by the president of the
