A History Of Israel In Old Testament Times

Siegfried Herrmann

The Old Testament tells us that God helped to part the waves of the Red Sea, allowing his Chosen People to cross over miraculously to the other side as they fled from Pharaoh's pursuing army. The book is a real treasure trove of objective Biblical history, an essential counterweight to the overabundance of unreliable religious proselytization material that handicaps objective historical scholars everywhere with self-absorbed misinformation. Defending Egypt's honorable tradition. Palestine was not the homeland for the kingdom of Israel and the stories of its early patriarchs. The lies began a long time ago. According to the Old Testament, written by Jews, ancient Egypt is the land of idolatry, tyranny and slavery. Like most other issues associated with the Old Testament, the history of the Old Testament is a hotly debated topic. It is difficult, thus, when presenting an Old Testament timeline to capture all of the different theories and dates provided for certain periods and people. The time stretching from Abraham to Nehemiah pretty much covers the entire Old Testament. Roughly speaking, the time in question is 2000 BC - 400 BC, though most all OT dates are debated topics. 1270 in order for there to be a group called Israel in the hill country. This date allows for a 13th Century BC Exodus on the Old Testament timeline, yet allows for very little time for the actual conquest of the land and the period of the Judges. Scholars claim a period of 300 - 400 years elapses in the OT book of Judges.
the language of ancient Israel and in which most of the Old Testament was originally written. Hebrew Bible. term used mainly by biblical scholars. Old Testament. Christian designation.
