Goats

Goats are my favourite animals. They’re cute, fluffy and lovable. They might be rough and tough. So be careful not to cough or you will scare them off.

My goat is special. His name is Speedy. He likes to race with people who are competitive. If it loses, it will cry. But it wins, it will boast about its best points and annoy everyone.

When I grow up

When I grow up,
I want to be a vet.

I want to help animals
that got shot by poachers.

I want to help animals
from the wild.

The animal I most wish to help
is the white rhino.

Its skin is so soft and firm
I wish I could touch it.

I want to be a vet.
That is my dream.

When I grow up

When I grow up,
I want to be an inventor.

I want to invent a lot of things,
medicines to make people younger.
Grannies will still be workers
and people will not die.

I’ll invent a machine
to take people back in time.
Then we’ll see a lot of famous people
like Roald Dalal, E.B.White, Einstein …

I’ll invent a machine
to teach people not to start war.
Imagine the life it will be,
peaceful, quiet, no one at war.

When I grow up

When I grow up,  
I want to be a policeman.

I want to help people  
to get away from thieves.

I don’t want people to lose things.  
I don’t want people to be hurt.

I want to help people.  
So, I want to be a policeman.

Digger tells me
he is poor.
He has no sister,
no little brother.

Digger tells me
he doesn’t like my bed.
He always sleeps in
my dirty old clothes.

He does not know
how good my bed is.
He does not know
how bad my clothes are!

When I grow up

When I grow up,
I want to be an artist.

I want to draw animals,
scenery and cartoons.

I want to draw my dog
who sleeps in its basket.

I want to draw the models
my brother makes.

I want to be an artist
when I grow up.

Little Don Don, play with me

Little Don Don,
please tell me,
do you like to play with my other toys
or me?

Little Don Don,
I have a lot of toys –
Little Zoe, Honey Beans, Buttery Bears …
and my horse Bon Bon.

Little Don Don,
if you play with me,
I’ll take you to travel with me
all over Hong Kong
and you can see a lot of things
and eat delicious food from Italy.

Little Don Don,
yesterday, I had a dream of you.
I’m happy because you told me
you loved to play with me!
You’ve given me a happy dream.

Little Don Don,
I know you can speak.
Will you come to my dream?
Or will you make me
a nightmare?

Fuby Dido, talk to me

Fuby Dido,
what are you thinking of? Of me?
What music do you like?
What food should I feed you?
Where do you really want to go?
How old are you?
Do you love me?
Fuby Dido, PLEASE answer me!

Lee Yuen Ying Crystal,
I would like to answer you.
I am thinking of what you are doing.
I like to listen to Christmas carols.
You should feed me the food you like.
I really like to go to the park with you.
Sorry I don’t know how old I am.
But I do know that I love you.

My hoot tells me

My hoot tells me
he came from the forest,
that it was very scary
deep in the wood,

My hoot tells me
he also had a family
that was very warm and cosy.

My hoot tells me
everything about himself.

Witches

Have you ever, 
ever heard of witches?  
People say they’re scary  
and ugly.

They say  
if you are walking in a fog,  
they’ll turn you into a frog.  
And if you go swimming  
when it is raining,  
they’ll turn you into a picture frame.  
At night, they’ll give  
you a terrible fright.  
And never bury black cats.  
They’ll turn you into cat snack.

Now you know how  
witches are scary.

My doggy tells me
he once had a rich family
who ate abalone
every day with milk and honey.

But one day
a robber came,
stole all the money,
killed Doggy’s dad and mummy.
Doggy and his siblings
could never see their parents.
They became beggars,
alone on the street.

But one day a manufacturer
found them sleeping on the road.
He thought they were old toys
and took them away
to his company
where they became
Beanie Babies!

**When I am**

When I am happy,
I will go out with my friend.

When I am sad,
I will cry in my room.

When I am angry,
I will shout at my friends.

When I am lonely,
I will read my favorite book.

When I am bored,
I will watch T.V!

Pencil and paper

Pencil and paper –
Two very well-going partners.

Pencil, a sort of really smart thing
That writes all kinds of languages,
And paper, a very useful tool
To write mail, instructions and …

Hey! What’s this?
Mobile phones, emails, I.CQ …

Seems like pencil and paper are useless

For now.

Our centuries are different
From the golden days –
We live in a different way.

Seal Dopy

He is black in colour.
He has dark brown eyes and whiskers.

He is a great little swimmer
In the dark ocean blue.
How fast?
He doesn’t have a clue.

He is also a great little eater.
He ate all the others.
“What a horrid brute!”
shouted his angry mother.
He ate all the divers.
He ate all the fishermen
Who were all fat joggers.

Sometimes he looks like a whale
With a small tiny tail
He can curl into a ball
And roll onto the shore.

Although he is quite naughty,
He will be a good friend of yours.
